MYSTIQUE IS A TOP WINNER IN INTERIOR DESIGN

SANTORINI, GREECE- November 2007

Santorini's brand new hotel, Mystique, which opened on May 2007, has been voted by "Sleep European Hotel Design Awards" and won the award for "Best Interior Design Suite".

"It is a great honour to have won the Best Interior Design Suite Award", said Antonis Eliopoulos, CEO & General Manager of Mystique." Completing the hotel within 5 months was a very difficult project, especially when traditional architecture, contemporary design, and the high standards of a Luxury Collection hotel have to be combined", said Antonia Veskou, Operations Manager of Mystique.

The designer, Frank Lefebvre of Bleu Nature has created the most relaxing, natural environment in pale colours and driftwood.

Sleep judges commented:

"Bleu Nature have succeeded in creating the 'wow' factor that guests expect when paying the rates demanded by the best hotel suites.

The hotel's unique cave-like interiors provide a genuinely romantic, cosy environment, for the many honeymoon couples that stay on Santorini.

The orientation of the suites maximises the spectacular views over Mediterranean whether guests are soaking in the large, spacious bathrooms or sunbathing on the hotel's private terraces.

Frank Le Fevebre's hand crafted furniture and extensive use of local materials such as stone and driftwood has created a hotel that is unmistakably a product of its surroundings.

In judging this award, judges asked themselves "would you really want to spend that much to stay there." At Mystique the answer was definitely yes."

Mystique, is the latest addition to the Luxury Collection, located in Santorini, Greece. Catering to the most discerning travellers, this stylish boutique hotel offers unparalleled luxury in an exquisite setting.

It features 18 villas, carved into the cliff, with panoramic private terraces and unrivalled views of the ocean. The suites combine tradition with modern conveniences. Mystique's amenities include an outdoor infinity pool at the cliff's edge, the poolside Aura terrace bar and the Secret Wine Cave, a dramatic wine cellar serving rare and indigenous vintages. At Charisma, Mystique's gourmet restaurant, the chef uses only the freshest ingredients to season entrees with regional flavor.
